This is not sent for discussion, if you agree forward it, if you don't, fine, delete it. I don't want to know one way or the other. By me forwarding it, you know how I feel.

I'll bet this was a surprise to NBC.

NBC POLL

Do you believe in God?

NBC this morning had a poll on this question. They had the highest Number of responses that they have ever had for one of their polls, and the Percentage was the same as this:

86% to keep the words, IN God We Trust and God in the Pledge of Allegiance
14% against

That is a pretty 'commanding' public response.

I was asked to **send this on if I agreed** or **delete if I didn't** .

Now it is your turn . . It is said that **86% of Americans believe in God.**

Therefore, I have a very hard time understanding why there is such A mess about having 'In God We Trust' on our money and having God in the Pledge of Allegiance.

Why is the world catering to this 14%?

AMEN!

If you agree, pass this on , if not, simply delete

In God We Trust
